July 1999

NEW! PSC Website

The PACER Service Center is pleased to introduce our new website

pacer.psc.uscourts.gov

Visitors can obtain PACER information, FAQs, online registration, sample data, user manuals and documents, modem numbers, and links to PACER websites. In the future, PACER users will be able to access account information which includes balance, billing history, and password changes. As PACER courts become available on the Internet, links to those sites will be added. Check this website for the latest additions and updates.

Quarterly Statement Changes

In preparation for page-based transactions from Internet access to PACER, changes to the quarterly statement have been made. Please note the following changes which appeared on the July 99 billing the bar code has been statement: removed from the top of the bill, a subtotal for page-based transactions has been added at the top of the bill (the subtotal is \$0.00 for this quarter), and a line for PACER-NET charges has been added to the end of the bill (total is \$0.00 for this quarter). Currently, page-based billing is not in effect; however, a \$.07 per page charge will be implemented sometime this fall. Statements will contain both time-based and page-based transactions. All dial up transactions will be listed first, sorted by court. The page-based transactions, also sorted by court, will follow. Moreover, page-based transactions will appear on the statement subtotaled for each client each day. For a detail of all page-based transactions, visit the PACER Service Center website, pacer.psc.uscourts.gov.

Systems' Changes in FLSBK

On June 28, 1999, the Bankruptcy Court for the Southern District of Florida introduced two new public access information systems, PACER Mirror and RACER (Remote Access to Court Electronic Records). PACER Mirror effectively replaced PACER as this court's standard electronic public access system. It introduced several new features such as: 1) allowing access to the latest case information 60 seconds after it is entered into the court's case management system, 2) availability of complete case dockets for all active and recently closed cases, 3) ability to search cases by SSN/TIN, as well as by participant name or case number, 4) immediate availability of creditor mailing matrices upon request, and 5) ability to select date ranges in the new case listing option. The RACER system, which is based on Internet browser technology, replaced BCS claims faxback as the court's claims image retrieval system. For questions regarding RACER, contact the Florida Southern Bankruptcy court. Please note that the current claims faxback system will remain operational for a limited period of time after June 28th, until all claims images have been converted to RACER.

PACER Billing

PACER accepts VISA, Mastercard, and Discover credit cards. To pay your statement by credit card, contact the PACER Service Center at (800) 676-6856.

Billing transactions for July will be available on the PACER BBS mid-August. These transactions may be sorted by court or client code.

The next quarterly statement will be sent

Year 2000 Compliance

The PACER Service Center continues to receive many letters and surveys from our customers on the year 2000 compliance issue. We regret that we are unable to respond to these individually. However, we would like to inform users that technical staff and management have been working on the conversion to ensure readiness for the year 2000 deadline on all systems within the judiciary. The Administrative Office of the U.S. Courts has developed a PACER program that is year 2000 compliant. Each court maintains an individual schedule as to when to install the year 2000 compliant version of PACER. You should notice no changes with the year 2000 release of PACER for either district or bankruptcy courts. In order to continue utilizing PACER into the next century, you will need to ensure the communication software and the computer used in your office to access PACER are year 2000 compliant. The PACER Service Center can not assist your office in a determination of year 2000 compliance for your office's internal systems or software.

General Information

The PACER Service Center will be closed September 6 for Labor Day and October 11 for Columbus Day holidays.

The PACER Service Center hours of operation are Monday through Friday 8:00 am to 5:00 pm CST.

PACER email address: pacer@aottsd.

Toll Free Numbers

See page 2 of this announcement for a complete list of toll free numbers. Visit the PACER Service Center website at *pacer.psc.uscourts.gov* for all local numbers.
